

March, 2008

Dear Parents,

As we look forward to September, 2008, we see that our numbers continue to increase and thus our needs for additional catechists. The Religious Education program relies on volunteers to teach classes. Each year a number of our current catechists must move to college, new jobs, or retirement after many dedicated years of service. If our program is to continue successfully, we must recruit new persons, just like yourself, to carry on the mission. Should you feel that you might be able to respond, know that there will be orientation classes to help equip you for this ministry. Some of our best catechists began at the bottom of experience and are now among our most fantastic catechists! If interested in exploring the possibility, please return this form with your registration.

- You will be involved in the Church's prime mission of teaching the faith to our children.
- You will grow in your own knowledge and understanding of your faith.
- It is a wonderful witness to your child/children of the importance of faith formation.
- **Catechists do not pay the registration fee, only the book fee.**
- You have first preference in choice of time and day for your child/children.
- "Your reward will be great in Heaven."

If you feel you can assist us in this important ministry, please fill out this form and return it with your registration form. Sister Anne will then set up an appointment with you. If you begin teaching in September, your registration fee will be returned to you.
