To be a Catholic parent means to nurture the faith in the child and share it in the family. Through the witness of an active, conscious faith, parents respond to the call of God, to enrich themselves and their children. They walk with their children under the guidance of the Holy Spirit, who directs the growth of each "in Wisdom, Age, and Grace".

It is your parental responsibility to know the policies and procedures contained in this handbook...

I. Admission

St. Patrick's Catechetical Program represents the belief that each person is made in the image and likeness of God. We endeavor to bring the Gospel message to all students; therefore we do not discriminate on the basis of race, sex, national origin or handicapped condition.¹

II. Role of Parent/Guardian

The faith we possess is a gift from God that grows and matures within the context of our family, our church and our community. Everything that we experience has some effect on our faith and trust in God. The warmth and love of family life, the understanding and beliefs of our parish life, and the bond of belonging, all help your youngsters to grow spiritually. Having promised before God at the time of Baptism, you have the primary and sacred responsibility to educate your children in faith. St. Patrick's Religious Education Program is designed to assist you in this responsibility. Our parents, working with our church, provide the essential ingredients for a strong, secure belief in God.

III. Responsibility of Parent/Guardian

It is essential to your child's faith development that you live the life of faith at home. The effectiveness of the religious education process radically depends upon this. Each week your child learns that celebrating the Eucharist (Mass) as a community of faith is essential to being a Catholic. Therefore, your child must attend the weekly Saturday evening or Sunday Mass supported by you.

- The Director of Religious Education must be informed of the rights of non-custodial parents as these pertain to the child's participation in the program.
- It is important that the whereabouts of the children be known at all times. For security reasons we request that **if your child is absent please call the office** so that your child is accounted for.

Parents are required to complete an emergency medical release form. This form is sent home every year with registration forms and kept on file in the Religious Education Office. It is very important that the office be informed of any medical or physical condition that can affect the learning environment. (e.g., allergies, asthma, auditory or visual impairment, seizures, learning disabilities, hyperactivity, attention deficit disorder, dyslexia, etc.). This information is confidential and will only be shared if the need arises.

MEDICATION: No medication can be distributed or taken during the Parish Catechetical Program. If an exception has to be made the parent must provide a written request and directions.

XI. Safe Environment Program

- All catechists and Staff members are required by the Archdiocese of New York to complete a background check and to participate in a workshop and an ongoing program on safeguarding our children from all kinds of abuse.

XII. Dress Code

- Students are required to dress modestly and appropriately for class. NO halter tops, short shorts, bare midriffs, pajama-like pants (flannels) or tee shirts with inappropriate wording are to be worn. Nothing should be worn to religious education classes that could not be worn to regular classes in the School system

XIII. Registration

- Re-registration takes place in early March. Please notify us if you do not plan on returning to the Program. Registration forms are available on our website, www.stpatrickshm.org Please bear in mind that the Sunday classes are filled almost overnight; therefore if that is a need for your family you must return the forms as soon as they are available on line in late March/early April.

XIV. Communication

- All parents receive a calendar and handbook. The handbook contains all pertinent information as it relates to the Religious Education Program. ***Please post calendar in a safe place to avoid unnecessary calls to the office.***
- The Religious Education Program will send home through your **youngest** child notices of calendar changes, upcoming events, reminders of parent meetings etc... Please ask your child weekly for such information.
- Parents are responsible for whatever announcements are in the weekly church bulletin.

XV. Textbooks

- Children will receive a textbook on the first day of class. ***It is the responsibility of the child and parent to make sure the book is brought to class each week.*** If a book is lost there will be a \$20.00 charge for a new textbook. Please be sure your child's name is in the front of the book.
- Textbooks relate to sacred concepts of our Faith and references to Scripture; children are not allowed to deface textbooks. ***If any textbook is found to have unacceptable drawings, language, etc... the book will have to be replaced.***

VIII. Early Departure from class

- Children cannot be excused early from class to attend sport activities, dancing lessons, etc. If children choose to participate in these activities the child should not attend class and will be marked absent for the session. Only serious and unusual medical appointments will be allowed as a reason for early dismissal. Although early dismissal was tolerated in the past, it has now become too big a distraction for the teacher trying to cover the curriculum and for the other children as they watch their friends go off to other activities.
- If a child is to be excused for a medical appointment or emergency situation, parents must come to the office and sign out child/children.
- Mrs. Pisano will go to classroom and get the child/children.
- Please do not go directly to classroom to pick up your child.
- We are responsible for all children in the building and must be aware of there whereabouts.

IX. Progress Reports

- Progress reports are distributed once each semester. The purpose of the progress reports is to allow the parent/student the opportunity of knowing where they stand in their understanding of the material being presented. It is a way to affirm and encourage students to be their best selves and to use the many gifts that God gives them.
Semester One - Distributed to students the last week of: January.
Semester Two - Distributed to students the first week of: May.

X. Emergency Crisis Plan

- The archdiocese of New York has mandated that an emergency crisis plan be in effect in every Religious Education program. Catechists have been instructed and a plan is in place to respond to fire, bomb threat, health emergency, severe weather or lock down of the building. This plan is called **H E L P S** and is available in the Religious Education office if parents wish to read it.

INCREASED SECURITY MEASURES

In order to insure increased security in the building, all doors to the building will be locked as soon as classes begin. **DOORBELLS** have been installed at the entrance ways and children arriving late for class will have to ring the doorbell to enter. In addition, any parent or guardian who wishes to enter the building after the program has begun will have to use the doorbell to enter the building.

IV. Role of the Student

The obligation of the students enrolled in the Religious Education program is spiritual, academic and behavioral.

Therefore, acts of violence, prejudice, or abuse by words or actions will not be tolerated by anyone.
- The Program Director and Coordinator reserve the right to dismiss from the program any student, who after initial correction, continues to be rude, disruptive, or in any way shows disrespect or continued lack of cooperation with the catechist.

V. **Program Procedures****A. Arrival Procedure:****WEEKDAYS****Grades 1 through 8**

- No students or parents are allowed to use the entrance door facing Hunter Street by the circular driveway. This entrance is for TEACHERS ONLY.

- **Teachers will lead all classes** to Weireter Hall (Gym) for dismissal. All students, parents/guardians will then **exit** the building through the **rear Hall door.**
- Grade 6-8 students must exit the building from the rear New Hall (gym) door and meet their rides in the rear parking lot.
- This dismissal procedure is in compliance with the safety rules of the Fire Department and will provide an orderly and safe dismissal of your children. This procedure will allow us to know at a glance if a parent is late so the appropriate measures can be taken. Your cooperation in these matters is essential to facilitate an orderly arrival and dismissal.
- **PARENTS OR CAR-POOLERS MAY NEVER PARK OR STAND ON EITHER SIDE OF THE DRIVEWAY LEADING INTO THE PARKING LOT.**
